### **Flooring & Floor Covering, C-15**

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the contract between the University and the CM/Contractor, and to pay prevailing wage at the location of the work.

The work describes in the contract is a public work subject to section 1771 of the California labor Code.

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of, any portion of this project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful Bidder shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as \$15 per hour) and shall comply with all applicable federal, state and local working condition requirements.

The Bidding mode will be a Construction Manager at Risk contract. Selection shall be based upon a "best value" approach which will be calculated on a "cost per point" basis. The proposer with the lowest cost per point "Best Value" will be selected by the University as the lowest responsible proposer.
